Brought to you by the

ESRF EUROPEAN SOCIETY
OF RADIOLOGY

FRIENDS

- **More than 51,400** individual Friends of **EuroSafe Imaging**
- **More than 300** organisations support **EuroSafe Imaging** to raise awareness about medical radiation protection

EXCELLENCE

More than **100 EuroSafe Imaging Stars** are included in our growing network of institutions to promote best practice in radiation protection, facilitating data collection and benchmarking

TRAINING

- **EuroSafe Imaging webinars** on hot topics
- **Tips & Tricks presentations** focusing on CT, interventional radiology and paediatric imaging
- Radiation protection **e-learning modules** on ESR Education on Demand
- **EuroSafe Imaging checklist 'Managing a safe CT service'** available in English, Portuguese and Spanish
- **ESR eGuide** is a new ESR e-learning project utilising the ESR iGuide decision support portal

RESEARCH

European Commission funded projects:

- European Study on Clinical Diagnostic Reference Levels for X-ray Medical Imaging – **EUCLID**
- Evaluation of national actions regarding the transposition of **Council Directive 2013/59/Euratom's** requirements in the medical sector
- European Diagnostic Reference Levels for Paediatric Imaging – **PiDRL**

ABOUT

EuroSafe Imaging is the European Society of Radiology's flagship initiative to promote **quality and safety** in medical imaging across Europe following a holistic, inclusive approach.

Launched in 2014, **EuroSafe Imaging** leads numerous activities to support and strengthen **medical radiation protection**.

Find out more at www.eurosafeimaging.org or contact info@eurosafeimaging.org.

HOT TOPICS

COLLABORATION

- **Subspecialties and related disciplines**
- **International organisations**
- **Patients**

WORLDWIDE

- **EuroSafe Imaging** is role model for **5 other 'safe' campaigns worldwide** under the umbrella of the International Society of Radiology Quality & Safety Alliance, and collaborates with Image Wisely and Image Gently
- **EuroSafe Imaging** is on tour worldwide, participating in over 60 congresses and meetings so far

MAIN FOCUS

- Guidance and practical tools to support the implementation of the **European Basic Safety Standards Directive** (2013/59/Euratom)
- Rollout of **ESR iGuide**, a clinical decision support system for imaging referral guidelines in Europe
- Development of the **ESR Audit Pack** focusing on 17 topics currently piloted at 20 hospitals from 12 countries
- Development of **clinical DRLs** and promotion of the concept
- **EuroSafe Imaging** has plenty in store for the upcoming **European Congress of Radiology 2018**: lounge, booth, sessions, poster exhibition, etc.
