

QUADRANT

Work Package 3 (WP3) and Next Steps

DAVID C. HOWLETT

Project Overview

30 months duration, Work Package 3 (WP3) survey launch planned early 2021

WP3

- ▶ Pre- survey- complete
- ▶ Expert Interviews
- ▶ Literature Review
- ▶ Main Survey

WP3 Main Survey- Aims

Identify and report on:-

- ▶ Good practices
- ▶ Available guidance
- ▶ Available resources

On clinical audit at national, European and International level.

Create an audit roadmap across Europe.

Main Survey Content

- ▶ Introduction and definitions
- ▶ Two sections- first examines clinical audit process and infrastructure, second relates to clinical audit requirements as mandated in the EU-BSS.
- ▶ Survey monkey design, Y/N, areas of freetext
- ▶ Currently 26 questions

Survey distribution (proposed)

- ▶ National audit administrator
- ▶ National HERCA representative
(potentially cooperative form completion)
- ▶ National society representative (ESR, ESTRO, EANM) using the existing national society networks

Survey returns to ESR office, identity of responders anonymised

Areas Covered

- ▶ Accreditation/ licencing
- ▶ Administration/ governance/ policy development
- ▶ Types of audit (self-assessment, internal, external, internal with external direction)
- ▶ Role of national societies and involvement in larger scale European/ International audits
- ▶ Training/ education
- ▶ Funding
- ▶ Incentives
- ▶ Barriers
- ▶ Audit activity as required by the EU-BSS, inspection/ audit
- ▶ Freetext for relevant projects, publications, guidances, directives on clinical audit

Additional Topics Post WP2

- ▶ Central agencies responsible for audit
- ▶ Patient consent
- ▶ Peer auditing- who, how, when
- ▶ Quantitative vs. qualitative, small vs. large
- ▶ Use of decision support software
- ▶ Further detail on incentives (e.g. exemption from clinical work, remuneration)
- ▶ Focus on national QI guidance documents and safe practice initiatives
- ▶ One size does not fit all, empower/ engage, definitions
- ▶ Emphasise benefits of audit and collaboration between national administration, professional societies, healthcare professionals and employers
- ▶ Potential crucial hub role of the professional societies in external direction

Thank you

- ▶ The European Commission, Michael Hubel and Georgi Simeonov
- ▶ The WP2 Team- Michael, Adrian, Wolfgang
- ▶ The ESR Team- Jonathan, Alistair, Monika
- ▶ The Moderators- Wolfgang and Mary
- ▶ The Speakers
- ▶ The Audience
