

Online Open Access Sessions ECR 2024

Join the livestream or watch the recording at ESR Connect

The European Congress of Radiology – ECR 2024 is proud to feature a number of sessions showcasing the work and results of European collaborative projects as well as ESR and [EIBIR](#) initiatives. These sessions are open access and can be watched live and on demand also by interested audience who are not participants of ECR 2024. Instructions on how to join can be found at the end of the document.

[EuroSafe Imaging Session](#)

EU 4 - SAMIRA: a European Commission initiative to strengthen quality and safety in imaging

(The following projects will hold a presentation: EU-REST, MARLIN, SIMPLERAD, EURAMED rocc-n-roll, plus insight from the European Commission on upcoming funding opportunities)

February 28, 13:00 – 14:30 CET

Opening Ceremony

OC - S.H.O.C.K.

February 28, 17:45 – 19:00 CET

[EIBIR Session](#)

Artificial intelligence (AI) for health imaging: pioneering cancer image repositories for diagnosis and analysis

(The following projects will hold a presentation: CHAIMELEON, EuCanImage, INCISIVE, ProCancer-I and EUCAIM)

February 29, 08:00 – 09:00 CET

[Session recommended by EuroSafe Imaging](#)

PC 8 - EU-JUST-CT – European co-ordinated action on improving justification of computed tomography, an ESR lead project on behalf of the European Commission: project outcomes and implications

February 29, 09:30 - 11:00 CET

[EIBIR Session](#)

Implementing lung cancer screening programmes in Europe (SOLACE Project)

February 29, 14:00 – 15:30 CET

[EIBIR Session](#)

Innovative tools for comprehensive risk assessment in radiology: insights from the SINFONIA project

March 1, 09:30 – 11:00 CET

[EIBIR Session](#)

From pixels to probes: unveiling the potential of integrated photonics in medical imaging

March 1, 12:30 – 13:30 CET

Studio Session

ST 17 - EuroSafe Imaging: celebrating 10 years of success in radiation protection

March 2, 12:45 – 13:30 CET

Studio Session

ST 18 - Funding the Future: A Dialogue with EIBIR's Scientific Director on Navigating EU Research Opportunities

March 2, 14:00 – 14:30 CET

Studio Session

ST 19 - Unveiling the Future: The Impact of EUCAIM's First Platform Release on AI in Cancer Research

March 2, 15:00 – 15:30 CET

Studio Session

ST 20 - SOLACE Insight: Strengthening Lung Cancer Screening Across Europe

March 2, 16:00 – 16:30 CET

EIBIR Session

EUCAIM at the forefront: innovating radiology with Europe's cancer image infrastructure for artificial intelligence (AI)

March 2, 16:00 – 17:30 CET

EIBIR Session

Artificial intelligence (AI), real impact: redefining clinical decision making based on medical images

(The following projects will hold a presentation: RadioVal, ODELIA and AI-POD, along with upcoming funding opportunities and EIBIR activities.)

March 3, 11:30 – 12:30 CET

How to attend the sessions online for free?

All of the above listed sessions are open access. Please follow the instructions below:

1. Visit the session page on **ESR Connect** and select the session you would like to attend.
2. Click on "Login" in the upper right corner and enter your ESR MyUserArea credentials or create a new ESR account for free (after you have created your account please visit the session page once again).
3. The session is now saved in your user menu under 'My Courses,' which can be accessed via your user icon in the upper right corner.
4. When the session starts, log into your account and visit the session page, where the livestream will start automatically.
